

Big Brother mentors needed in Beloit

Posted: Thursday, January 15, 2015 4:00 pm

With 11 boys on the waiting list to be matched with a mentor, there is a big need for Big Brothers in Beloit now during National Mentoring Month.

Men are needed to provide a positive male role model for boys by spending time doing activities together like throwing around a football, volunteering together at the local animal shelter, fishing, or geo-caching.

Mentors commit to a weekly or bi-weekly visit with their match for a year, spending one-on-one time doing worthwhile activities in the community or just having fun together.
