

INDUSTRIAL PROPERTY GOING UP

October 24, 2018 at 9:52 am |

Clint Wolf/Beloit Daily News The second building in the Stateline Industrial Park is taking shape as workers continued construction Tuesday. The 105,000 square foot building is being developed with the intention of finding a tenant and bringing jobs to the community. The Hendricks Commercial Properties building is going up at the corner of State Line Road and Willowbrook Road. It neighbors the first speculative building erected by HCP, which now houses Toledo Molding and Die.
